Mission Statement-

The High Desert Bucking Bull Association (HDBBA) is a community of bucking bull enthusiasts established in 2016 by dedicated breeders, for breeders. Our primary goal is to foster growth within the bucking bull industry. Through organized competitions, we showcase these remarkable animals, akin to athletes in traditional sport. Our association serves as a platform for breeders to promote their stock, opening doors to opportunities like participation in prestigious events such as PBR's and the National Finals Rodeo. At HDBBA, we prioritize family values and inclusivity, evident in our youth division tailored to kids 17 years and under, allowing them to engage in friendly competition just like their parents.

To be eligible for any HDBBA awards or prizes, animal owners must be current HDBBA members in good standings. Any membership submitted as a firm, partnership, corporation, or organization, must individually name all members associated with the membership. Any animal entered in a HDBBA sanctioned event as a partnership, the partnership must have a current HDBBA membership, unless all members of the partnership are current HDBBA member in good standings. Each individual name to be listed as an owner/ participant for a competing animal will need to have filled out a separate membership form and paid a separate membership fee (unless a Ranch Membership has been purchased.)

Annual HDBBA memberships are required for ABBI co-sanctioned entries.

3: ACKNOWLEDGEMENT OF AUTHORITY

By payment of annual dues participants agree to abide by the rules and regulations set forth in this document by the HDBBA and will always be subject to the same rules and regulations in conjunction with the HDBBA produced, sanctioned or co-sanctioned events. These rules are subject to change or modification, only if those changes are deemed necessary to better conduct HDBBA events, members, and participants.

4: ACKNOWLEDGEMENT OF RISK

By entering an animal and/or attending a HDBBA produced or sanctioned event, participants assume the risk inherent in any bovine/rodeo type activity and hold harmless the HDBBA. The High Desert Bucking Bull Association, its president, board members, directors, employees, or contractors shall NOT be responsible for any injury, death or loss of any animal entered or present for any other reason at any HDBBA produced, sanctioned or co-sanctioned event. HDBBA shall NOT be responsible for the injury or death of any person attending any HDBBA produced, sanctioned or co-sanctioned event.

5: BAD CHECKS

If a participant pays his/her fees or membership with a check that is returned, this will result in a \$100 fine and a \$30 return check fee. In the event of this happening HDBBA members must pay in the form of a money order, credit card or cashier's check ONLY until the HDBBA Board of Directors approves it is unnecessary.

6: MISCONDUCT AND CHEATING

Any participant who becomes verbally or physically abusive toward any official, judge, employee, event producer, volunteer, sponsor, contractor, or other participant, or who engages in misconduct, harassment, threats, intimidation, cheating, attempted cheating, or any conduct deemed by the HDBBA Board of Directors to be detrimental to the best interests, reputation, safety, integrity, or orderly operation of the HDBBA, its members, sponsors, producers, officials, participants, or events, may be immediately disqualified from competition. The HDBBA Board of Directors shall have sole discretion in determining whether a participant's conduct violates this rule and what disciplinary action, if any, is appropriate. The HDBBA Board of Directors reserves the sole authority to suspend, expel, deny, reject, or revoke any person's membership, entry, or participation in any HDBBA-sanctioned event. The Board may take such action following a single incident. Any individual whose membership, entry, or participation has been suspended, revoked, or denied shall not be permitted to enter or participate in any HDBBA-sanctioned event unless reinstated by a vote of the HDBBA Board of Directors. An HDBBA event producer who has concerns regarding a participant, either before or during an event, may present those concerns to the HDBBA Board of Directors for review. The HDBBA Board of Directors shall determine whether the participant will be permitted to compete in that event and whether any additional disciplinary action is warranted. The HDBBA Board of Directors reserves the right to deny entry to any participant when, in its judgment, participation is not in the best interests of the HDBBA or the safe and orderly operation of an HDBBA-sanctioned event.

Any membership fees, entry fees, winnings, prizes, and points shall be forfeited and will not be refunded.

7: ELECTRICAL DEVICES & FOREIGN OBJECTS

Any electrical devices used to stimulate the animal cannot be used while in the chute, unless the animal is leaning bad or squatting, and won't stand correctly. Contractors or HDBBA personnel are prohibited from hot shotting animals while leaving the chute. Foreign objects in the flank will not be allowed. Any owner that is not following this rule is subject to disqualification of the animal involved in the incident, and total disqualification from the competition and forfeiture of entry fees. In addition, failure to adhere to this rule could result in suspension and fine as outlined in MISCONDUCT & CHEATING.

8: DRESS CODE

ALL participants at the HDBBA sanctioned events, during the Derby/Classic/Maturity event who are behind the bucking chutes, in the arena, and in the back pens, will be required to adhere to a western dress code and wear (jeans, long sleeve shirt with collar and western cowboy hat). A short sleeve button shirt with a collar and western cowboy hat will be accepted during futurity competition. Those not adhering to this rule may be asked to leave the area behind the bucking chutes, arena, and back pens.

9: APPEALS PROCEDURE

Any HDBBA member has the right to appeal against any disciplinary action and/or file a grievance or complaint against another HDBBA member or HDBBA official for any reason. An appeal or grievance must be submitted to the HDBBA office, in writing, with a \$300 fee within 30 days of the incident. The appeal or grievance will be reviewed by HDBBA Board of Directors and/or legal counsel. If a disciplinary action is overturned on appeal or a grievance is found to have merit and a member is disciplined pursuant to a filed grievance, the \$300 fee will be refunded. If a disciplinary action is upheld on appeal or a grievance is found to have no merit and a member is not disciplined pursuant to a filed grievance, the \$300 fee will be forfeited and retained by the HDBBA. Once the appeal has been reviewed all decisions will be final.

B. Events

1: JUDGES/JUDGING

All judges for HDBBA sanctioned events must be named by event management fifteen (15) days prior to the closing date of entries and be approved by the Board of Directors. The number of judges for HDBBA approved events may not be less than four (4) approved judges. It is the responsibility of the producer to compensate all payments due to judges and personnel.

Event animals will be scored by a maximum of 25 points scoring system. The judges will be required to score an animal from zero to twenty-five (0-25) using tenths of a point based on the animal's ability in all five categories: buck, kick, spin, degree of difficulty, and intensity. HDBBA

utilizes the ABBI four-judge system in conjunction with the “throw-out” rule. If one judge’s score is more than two (2) points higher or lower than the other three judges’ scores, that extreme score will be discarded. After the extreme score is removed, the remaining three judges’ scores will be averaged to determine the final score.

If an animal STOPS OR FALLS completely down, stopping his bucking action, that animal will be marked as a DQ at the discretion of the judges.

Any ABBI sanctioned event with HDBBA will have a minimum of 2 ABBI qualified judges.

2: EVENT SANCTIONING

Any person or person(s) may request sanctioning an event with the HDBBA. The President and Board of Directors will have final approval of all proposed sanctioning events. Approval shall be based on.

- a. other approved HDBBA events
- b. other events in the region
- c. adequacy of the facility where the proposed event will be held.

An event that is approved by the HDBBA must comply with all association rules. The HDBBA reserves the right to deny sanctioning or cancelling the sanctioning of an event which it deems not to be in the best interest of the HDBBA.

- d. minimum of 5 animals entered per class- unless otherwise approved by the HDBBA

3: ARRIVAL / CHECK-IN

Check-in times will be event specific. Participant MUST contact the HDBBA office & Event Producer 48 hours in advance to plan for early or late arrival outside designated check-in times. Late arrivals will be subject to a \$100 per animal late arrival penalty. Habitual late arrivals may be subject to higher penalties and/or disqualification according to the HDBBA Board of Directors discretion. A member’s failure to comply with the check-in date and time specified may result in disqualification and forfeiture of the fees.

4: EVENT PERSONNEL

At all HDBBA sanctioned events, judges, gate men, arena help, and production labor will be provided by the event producer. Only these designated individuals will be permitted to conduct their specific task. The producer is responsible for all, and any costs associated with the event they are producing. HDBBA WILL NOT be responsible for any costs accrued for a producer’s events. Producers to see, complete, & sign individual producer agreement and producer requirements.

5: ANIMAL PENS

All animals competing in HDBBA sanctioned events must be housed in the pens provided by the event and must be checked in by the time and date specified by the event. Animals can be penned together, but they must be put back in an assigned pen no less than one (1) hour before the event starts. This is the contractor’s responsibility. Events must provide enough individual pen space for all animals entered. Events must have all the pens assembled before the designated check-in time for the animals to arrive. Only animals entered in a HDBBA event may be unloaded at an event. Contractors are responsible for any damage caused by their animals to the facility, including pens,

panels, gates, or other properties. The owner of the animal causing the damage will be held financially responsible for all repair or replacement costs associated with the damage.

6: EVENT GROUND RULES

Let's be good stewards of the land. If you bring it in, take it out. If you create trash, throw it away. Let's leave the event grounds more presentable when we leave than when we arrive. Specific ground rules may exist for HDBBA produced or sanctioned futurity. Failure to adhere to posted ground rules may result in disqualification and/or a fine.

ANIMALS

1: AGE VERIFICATION

Animals do not need to be registered, but registration papers or a signed statement from a veterinarian verifying the animal's age are recommended. All animal ages are on an honor system. However, if discrepancy arises, the HDBBA reserves the right to have the animal mouthed and checked by a veterinarian of our choice, at the owner's expense. If the animal is confirmed to meet the age requirement for its entered class, the individual who requested the mouthing will be responsible for the cost, not the owner. Animals may be mouthed if there is concern from a participant, Board member, or President. Animals previously verified through another association will not be mouthed if proper paperwork is presented. Animals deemed too old by the veterinarian will be disqualified, and the veterinarian's decision is final. The owner will forfeit all winnings and fees.

2: ANIMAL IDENTIFICATION

Animals must be branded (fire or freeze) with a permanent legible ID number. Animals not branded as mentioned herein may be disqualified from any HDBBA produced or sanctioned event. Only exceptions, yearling futurity animals can be branded OR a legible numbered ear tag for identification purposes.

3: HORNS

All competing animals must have their horns tipped (banana or loose horns are excluded from this rule) prior to arriving at the event. Yearling & two-year-old animals are required to be tipped to the size of a 25-cent piece. Classic/Derby bulls need to be tipped to the size of a 50-cent piece. At the discretion of a judge or event official, if an un-tipped or inadequately tipped animal arrives at an HDBBA sanctioned or Co-sanctioned event, the animal may be subject to disqualification from the event and forfeiture of entry fees.

4: HEALTH REQUIREMENTS

All animals competing at HDBBA sanctioned events will be required to have a Certificate of Veterinary Inspection with results of a negative TB test and a negative Brucellosis test. These tests

MUST have been performed during the calendar year of competition, unless otherwise posted in event details. All results must be presented at check-in. Additional requirements for individual states may differ. Member is responsible for checking with a state licensed Veterinarian to confirm any additional requirements. Animals that do not meet these requirements will not be allowed to unload or compete and will forfeit entry fees.

5: BRAND INSPECTIONS

All western states require brand inspections. It is the participant's responsibility to have the required brand inspection papers. There may be Brand Inspectors at each event.

3: PAYOUTS

At all HDBBA produced or sanctioned futurities payout will be as follows.

A: 20% of total fees taken out for the producer.

B: 4% of total fees taken out for HDBBA finals.

1: Added Money Policy:

After all applicable deductions, added money will be included in the total payout. No deductions may be taken from added money. Added money provided by HDBBA will be allocated to the seven sanctioned classes. Any distribution of HDBBA-added money to additional classes must be approved by the board. Added money provided by an event producer may be designated at their discretion, including allocation to classes outside of the seven sanctioned classes.

2: Added Money Distribution:

Added money will be distributed per class based on the number of bull entries in each class. The total added money for an event will be divided by the total number of bull entries to determine the added money per bull. Each class will receive added money equal to the per-bull amount multiplied by the number of bulls entered in that class.

Example: If an event has \$3,000 in added money and 100 total bull entries, the added money per bull is \$30. A class with 10 bull entries will receive \$300 in added money.

Added money amounts may vary from event to event. The added money per bull and per class is subject to change based on the total added money and number of entries for each event.

4: POINTS/YEAR END

Points shall be awarded at all HDBBA sanctioned events that will accumulate for year-end awards. Points shall be awarded at HDBBA sanctioned events in the following manner.

- Points will be based on the animals' score at each event. For example, an animal that scores 85.5 points will have that added to the year-end total.
- **Year-End Points** will only be awarded at **full events**, meaning the event must offer all seven sanctioned classes:
Yearling, Jr. Futurity, Women's Futurity, Open, 3-Year-Old Futurity (Dummy Derby), Derby, and Classic.
- Top five event scores will count for year end points. **If animal is in the year-end running, animal must be entered at the last/final event to receive year end awards.**
- The HDBBA will present a year-end buckle to the Ranch Raised Dummy Bovine with the highest accumulated points from its top five (5) scores, calculated in the same manner as Bull of the Year standings.

5: CONTRACTOR OF THE YEAR

Contractor of the Year points are points accumulated from a contractor's top 3 animals from 5 events of the season and added together at the end of the season to determine a winner. If a Ranch Membership has been purchased the animals in the Jr. and Women's classes will be eligible for Contractor of The Year points. If there are multiple contractors/partnerships on an animal, it must be designated on an entry form who gets contractor points.

Any animal entered in a HDBBA sanctioned event as a partnership, the partnership must have a current HDBBA membership, unless all members of the partnership are current HDBBA member in good standings. Each individual name to be listed as an owner/ participant for a competing animal will need to have filled out a separate membership form and paid a separate membership fee (unless a Ranch Membership has been purchased.)

Ranch Membership Example- Ranch Membership- John Smith Bucking Bulls

Entries- Jr. Sarah/John Smith Bucking Bulls, Women's Sally/John Smith Bucking Bulls, Derby John Smith Bucking Bulls

Contractor of The Year points go to John Smith Bucking Bulls

- **Contractor of The Year** points will only be awarded at **full events**, meaning the event must offer all seven sanctioned classes:

Yearling, Jr. Futurity, Women's Futurity, Open, 3-Year-Old Futurity (Dummy Derby), Derby, and Classic.

6: DRAW/CHUTE POSITION

Bucking order will be determined by a Random Computer-Generated Draw. Delivery changes must be made within one week prior to the event or prior to posting a buck order.

7: WITHDRAWAL

Prior to entries closing an animal may be withdrawn without penalty or forfeit of entry fees. After entry closing, owners may withdraw animals from competition for any reason. However, doing so will forfeit all entry fees, unless a vet release is presented for said animal. In the event a vet release is provided to the HDBBA, entry fees will be refunded, and the animal will be ineligible for entry for 30 days from the vet release date. Animals MAY BE replaced by another animal of the same age, with no penalties with a Signed Vet release stating original entered animal is unable to compete prior to check-in. (If entries were phoned in and not mailed with payment, the owner must still pay the prior entry fee for events they did not show at, or they will not be eligible to enter any future events.)

8: TIE BREAKERS

There will be no tie breakers given. If animals are tied after scores are checked, a straight split will be used.

9: REBUCKS

At HDBBA events, re-bucks will be allowed only if in the opinion of any judge, the animal had no chance to perform due to situations outside the control of the animal itself or its flank man. It is the flank man's responsibility to make sure the animal is properly flanked before calling for the release of the animal. No re-bucks will be given if the bull rider nods for the animal, but the contractor has not flanked the animal. It is also the Contractors' responsibility to make sure the animal is looking before calling for the gate. If a futurity bull turns out backwards there will be no re-buck if the contractor calls for the gate.
